With regards Policy SA02: Land South of Gartree Road Strategic Development Area, paragraph 6.e, there is a change to the primary school provision requirement from 5 forms of entry to 6 forms of entry. The changes should be updated as per below, **highlighted**. This takes into account the 4000 homes in the strategic development area.

*“Meet the primary and secondary needs arising from the site. Provision of sufficient land for an 8 form entry secondary school, including post 16 provision to accommodate wider strategic growth needs and **6 forms of entry primary school provision, including early years provision**. Other developments or public funding will be required to contribute to the costs of any provision that is not required to meet the needs of the site. The Applicant should produce an Education Delivery Strategy in conjunction with the County Council to be approved by the Councils which considers options for meeting these requirements which will include the provision of new schools meeting DFE standards and may include the expansion of existing schools.*”
